Advice Letter No. 1

Doug Dean, Director
Colorado Public Utilities Commission
1560 Broadway, Suite 250
Denver, Colorado 80202

Dear Mr. Dean:

The accompanying tariff issued by Suncor Energy (U.S.A.) Pipeline Company is sent to you for filing in compliance with the requirements of requirements of Public Utilities Law. The attached tariff applies to the following services: transportation of unleaded gasolines and light straight run from Commerce City, Colorado, to Dupont, Colorado.

Colo. P.U.C. No. 1

Original Page No. 1 through Original Page No. 14

It is desired that the tariff accompanying this advice letter become effective on March 1, 2024.

Enclosed, are an original plus three (3) copies of the Advice Letter and the accompanying tariff sheets.

Please contact Brian Suchand on (303) 296-7845, bsuchand@suncor.com if you have any questions regarding this filing.

Sincerely,

s/Laura Eifert
