

Subject: Exercise: Montreal refinery port, Wednesday, October 3

On Wednesday October 3, 2018, at approximately 8h00 (ET) Suncor will be conducting emergency response simulations at our marine facilities in Montreal.

During this exercise emergency response equipment such as boats, containment booms, absorbent materials, etc. will be deployed on the river and on its banks near our port facilities.

This exercise will be conducted in collaboration with Eastern Canada Response Corporation (ECRC), is developed to help us test and validate our emergency response plans in a safe learning environment.
