

Subject: Marine Emergency Drill – October 22, 2020

Please note that we will conduct an emergency exercise on Thursday, October 22, 2020 at our marine facilities.

As part of this drill, emergency response equipment (trucks, containment booms, etc.) will be deployed on the river banks near our port facilities.

The purpose of this exercise is to verify the effectiveness of marine oil spill response procedures and is part of the on-going training of the personnel of the refinery.
