

Subject: Equipment start-up

Date: March 12 2019

We have completed preventive maintenance work at the Montreal Sulfur Plant. During the week of March 12, 2019, we will start-up the equipment that has been the subject of this maintenance work.

During this period, intermittent smoke may be visible. We apologize for any inconvenience this situation may cause and we thank you for your understanding.

These activities are part of our regular plant maintenance plan to ensure the safe and efficient operations of our equipment.

This work will be carried out in accordance with our commitment to the community and in such a way as to reduce nuisances and their impacts.

Thank you for understanding.

For further information, you may contact our Environment, Health and Safety group at 514-645-1636.
