

**Subject: Planned equipment maintenance**

Date: June 30, 2020

Please note that the Suncor Montreal Sulphur Plant will be proceeding with planned equipment maintenance on June 30<sup>th</sup>.

During the works, our flare could be used for a short period. Smoke could be visible. We apologize for any inconvenience this situation may cause and thank you for your understanding.

These activities are part of our plant's regular maintenance and repair plan, intended to ensure the reliability of our operations

In keeping with our commitment to the community, the work will be carried out in such a way as to minimize any nuisance and impact to the community surrounding our facility.

Thank you for understanding and patience.

For further information, you may contact our Environment, Health and Safety group at 514-645-1636.
