

Subject: Equipment maintenance

Date: August 4th 2021

Please note that the Suncor Montreal Sulphur Plant will be proceeding with maintenance work on one of its equipment. The work will be done, Thursday, August 5th.

It could be possible that odours may be perceived outside of our plant during this work.

In keeping with our commitment to the community, the work will be carried out in such a way as to minimize any nuisance and impact to the community surrounding our facility.

These activities are part of our plant's regular maintenance and repair plan, intended to ensure the safe, reliable operation of our plant.

Thank you for understanding.

For further information, you may contact our Environment, Health and Safety group at 514-645-1636.
