

Subject: Low volume siren test

Date: August 27th 2021

We would like to advise you that on August 31, 2021, at 11h00 a.m., Suncor's Montreal Sulphur plant will be testing its warning siren. This test will be at **low volume** and will last approximately 15 seconds.

The siren will emit a modulated sound and can be heard nearby the sulphur plant site. The local authorities have been notified.

Thank you for understanding.

For further information, you may contact our Environment, Health and Safety group at 514-645-1636.

Transmission

- The Association Industrielle de l'Est de Montréal (AIEM) site: www.aiem.qc.ca
- Suncor's site : (<http://www.suncor.com/en/about/5859.aspx>)
- Members of the Montreal Sulphur Plant Liaison Committee

"This notice stems from our social commitment as a member of the AIEM, and its aim is to inform members of the neighbouring community about any unusual events likely to have an impact outside our site."
