

Subject: Planned Maintenance

Date: April 1, 2022

Please be advised that Suncor's Montreal Sulphur Plant will be conducting a planned equipment shutdown on April 11, 2022.

During this time, smoke may be visible. We apologize for any inconvenience this may cause and thank you for your understanding.

These activities are part of our regular plant maintenance and repair plan to ensure safe and efficient operation of our equipment.

The work will be carried out in accordance with our commitment to the community to reduce the nuisance and its impacts.

Thank you for your understanding.

For information, at any time you can reach our Environment, Health and Prevention Department at 514-645-1636.
