Suncor Energy posts documents filed with Alberta Securities Commission

Calgary, Alberta (Nov. 26, 2015) – Suncor Energy today posted documents on its offer web site which had been previously filed with the Alberta Securities Commission (“ASC”). The documents include written submissions and supporting material as to why Suncor believes the ASC should strike down a 120-day shareholder rights plan adopted by the Board of Canadian Oil Sands Ltd (“COS”).

The ASC’s hearing on this matter is scheduled for today. Suncor’s intention had been to respect the ASC review process and post this information only after the ASC had made it public. Given COS’ release of its own submission and supporting materials yesterday, Suncor believes it is prudent and in the best interests of COS shareholders to post this information so that it can be considered at the same time.

The information is available at <http://www.suncorofferforcanadianoilsands.com>.

NOTICE TO U.S. HOLDERS

The Offer is being made for the securities of a Canadian issuer by a Canadian issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare the Offer documents in accordance with the disclosure requirements of Canada.
