- (1) Subject to the satisfaction or waiver of the conditions of the Offers described in the Offer to Purchase, if the Maximum Purchase Condition is not satisfied with respect to every series of Notes, the Offerors will accept Notes for purchase in the order of their respective Acceptance Priority Level specified in the table above (each, an "Acceptance Priority Level," with 1 being the highest Acceptance Priority Level and 10 being the lowest Acceptance Priority Level). It is possible that a series of Notes with a particular Acceptance Priority Level will not be accepted for purchase even if one or more series with a higher or lower Acceptance Priority Level are accepted for purchase.
- (2) The 5.00% Series 7 Medium Term Notes due 2030, together with the 3.00% Series 5 Medium Term Notes due 2026, the 3.10% Series 6 Medium Term Notes due 2029 and the 5.39% Series 4 Medium Term Notes due 2037 are referred to herein as the "C\$ Notes." The 5.95% Notes due 2034, together with the 8.20% Notes due 2027, the 6.000% Notes due 2042, the 5.35% Notes due 2033, the 5.95% Notes due 2035 and the 6.50% Notes due 2038, are referred to herein as the "US\$ Notes."
- (3) The calculation of the applicable U.S. Consideration (as defined below) for each series of US\$ Notes and the calculation of the applicable Canadian Consideration (as defined below) for each series of C\$ Notes was performed taking into account such par call date, if any, or maturity date, in accordance with market practice.
- (4) The consideration for each series of US\$ Notes (such consideration, the "U.S. Consideration") payable per each US\$1,000 principal amount of such series of US\$ Notes validly tendered for purchase is based on the fixed spread specified in the table above (the "Fixed Spread") for such series of Notes, plus the yield of the specified U.S. Reference Security for that series as quoted on the Bloomberg reference page specified in the table above as of 2:00 p.m., New York City time, on the date hereof (the "U.S. Reference Yield"). The U.S. Consideration does not include the applicable Accrued Coupon Payment, which will be payable in cash in addition to the applicable U.S. Consideration. The consideration for each series of C\$ Notes (such consideration, the "Canadian Consideration" and, together with the U.S. Consideration, the "Total Consideration") payable per each C\$1,000 principal amount of such series of C\$ Notes validly tendered for purchase is based on the Fixed Spread specified in the table above for such series of Notes, plus the yield of the specified Canadian Reference Security for that series as quoted on the Bloomberg reference page specified in the table above as of 2:00 p.m., New York City time, on the date hereof (the "Canadian Reference Yield"). The Canadian Consideration does not include the applicable Accrued Coupon Payment, which will be payable in cash in addition to the applicable Canadian Consideration. See "Description of the Offers—Determination of the Total Consideration" in the Offer to Purchase.
- (5) Per US\$1,000 or C\$1,000, as applicable, principal amount of Notes validly tendered, and not validly withdrawn, and accepted for purchase, at or prior to the expiration date for the Offers; excludes the Accrued Coupon Payment and assumes a settlement date of October 7, 2022 for such series of Notes.
- (6) Such Notes are listed as being issued by Canadian Oil Sands Limited; Suncor Energy Ventures Corporation assumed the obligations for such Notes in 2016.
- (7) Such Notes are listed as being issued by Petro-Canada; Suncor assumed the obligations for such Notes in 2009.

The Offers are scheduled to expire on the "Expiration Date," which is 5:00 p.m., New York City time, today, October 4, 2022, unless extended or earlier terminated by the Offerors. Holders of Notes described in the table above may withdraw their validly tendered Notes any time at or prior to 5:00 p.m., New York City time, today, October 4, 2022, unless extended or earlier terminated by the Offerors. In order to receive the applicable Total Consideration, Holders of Notes must tender and not withdraw their Notes, or submit a Notice of Guaranteed Delivery and comply with the related procedures, at or prior to the Expiration Date.

For Holders of Notes who deliver a Notice of Guaranteed Delivery and all other required documentation at or prior to the Expiration Date, upon the terms and subject to the conditions set forth in the Tender Offer Documents, the deadline to validly tender Notes using the Guaranteed Delivery Procedures will be the second business day after the Expiration Date which is expected to be 5:00 p.m., New York City time, on October 6, 2022.

The "Settlement Date" will be the third business day after the Expiration Date and the first business day after the Guaranteed Delivery Date and is expected to be October 7, 2022.

Upon the terms and subject to the conditions set forth in the Offer to Purchase, Holders whose Notes are accepted for purchase in the Offers will receive the Total Consideration described in the notes to the table immediately above for each US\$1,000 or C\$1,000, as applicable, principal amount of such Notes in cash on the Settlement Date. In addition to the Total Consideration, Holders whose Notes are

accepted for purchase will receive a cash payment equal to the Accrued Coupon Payment, representing accrued and unpaid interest on such Notes from and including the immediately preceding interest payment date for such Notes to, but excluding, the Settlement Date. Interest will cease to accrue on the Settlement Date for all Notes accepted in the Offers.

Terms of the Offers

The Offerors' obligation to accept for payment and to pay for Notes of any series validly tendered in the Offers is subject to the satisfaction or waiver of the conditions described in the Offer to Purchase, including that the Aggregate Purchase Consideration for Notes purchased in the Offers not exceed C\$1,750,000,000, and on the applicable Maximum Purchase Consideration being sufficient to pay the Total Consideration for all validly tendered Notes of such series. For purposes of calculating the portion of the Aggregate Purchase Consideration attributable to each series of US\$ Notes, the aggregate principal amount of US\$ Notes tendered in the applicable Offer shall be converted to Canadian dollars based on the exchange rate of one U.S. dollar for 1.3534 Canadian dollars, as shown on the FXC page displayed on the Bloomberg Pricing Monitor at 2:00 p.m., New York City time, on the date hereof. As a result, no series will be subject to pro-rata in the amount accepted. The Offerors reserve the right, subject to applicable law, to: (i) waive any and all conditions to the Offers; (ii) extend or terminate any or all of the Offers; (iii) increase or decrease the Maximum Purchase Consideration; or (iv) otherwise amend the Offers in any respect.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold any of the Notes listed above as to when such intermediary needs to receive instructions from a Holder in order for that Holder to be able to participate in, or, where revocation is permitted, timely revoke their instruction to participate in the Offers. The deadlines set by each clearing system for the submission and withdrawal of tender instructions will also be earlier than the relevant deadlines specified herein and in the Offer to Purchase and the related Notice of Guaranteed Delivery, as applicable.
