

The Human Resources and Compensation Committee

The by-laws of Suncor Energy Inc. (Suncor) provide that the Board of Directors (Board) may establish Board committees to whom certain duties may be delegated by the Board. The Board has established, among others, the Human Resources and Compensation Committee (HR&CC), and has approved this mandate, which sets out the objectives, constitution, structure, functions and responsibilities of the HR&CC.

Objectives

The HR&CC assists the Board by:

- reviewing annually the overall corporate goals and objectives of Suncor relevant to the compensation of the President and Chief Executive Officer (“CEO”), and ensuring that the overall goals and objectives of Suncor are supported by an appropriate executive compensation philosophy and pay programs;
- evaluating annually the performance of the CEO against predetermined goals and criteria, and recommending to the Board the total compensation for the CEO in light of their evaluation of the CEO’s performance;
- reviewing annually the CEO’s evaluation of the other senior executives’ performance;
- approving the total compensation of each member of the Executive Leadership Team (ELT), which for purposes of this mandate consists of all senior executives in a permanent role that report to the CEO;
- reviewing annually the succession planning process and results of the process as it relates to the executive roles; ensuring that a full review of candidates for the CEO and ELT positions is provided to the Board as described herein to provide for timely and effective continuity of leadership for Suncor;
- overseeing Suncor’s executive compensation policies, incentive compensation program design and operation, and compensation practices;
- ensuring executive compensation related risks are understood and considered;
- overseeing any significant compensation, pension and benefit programs for employees generally, considering accounting, tax, design, legal, regulatory and governance environment, risk and pay and performance relationship.

Constitution and Meetings

The Terms of Reference of Suncor’s Board set out requirements for the composition of Board committees, the qualifications for committee membership, and specify that the chair and membership of the committees are determined annually by the Board. The Board will ensure that membership of the HR&CC includes individuals with expertise in Human Resources, Finance, Business Strategy and Executive Compensation. All members of the HR&CC are required to be independent. As required by Suncor’s by-laws, unless otherwise determined by resolution of the Board of Directors, a majority of the members of a committee constitute a quorum for meetings of committees, and in all other respects, each committee determines its own rules of procedure. The HR&CC shall review this Mandate annually and recommend any amendments it deems appropriate to the Governance Committee for review and recommendation to the Board for approval.

The HR&CC will meet at least four times each year and will meet in camera without management present at each meeting.
