

Same pay. More options.

Workday, our new HR system, goes live in 2022.
You'll be able to view and manage your pay differently.

Your pay statement will look different.

And, you'll see greater detail.

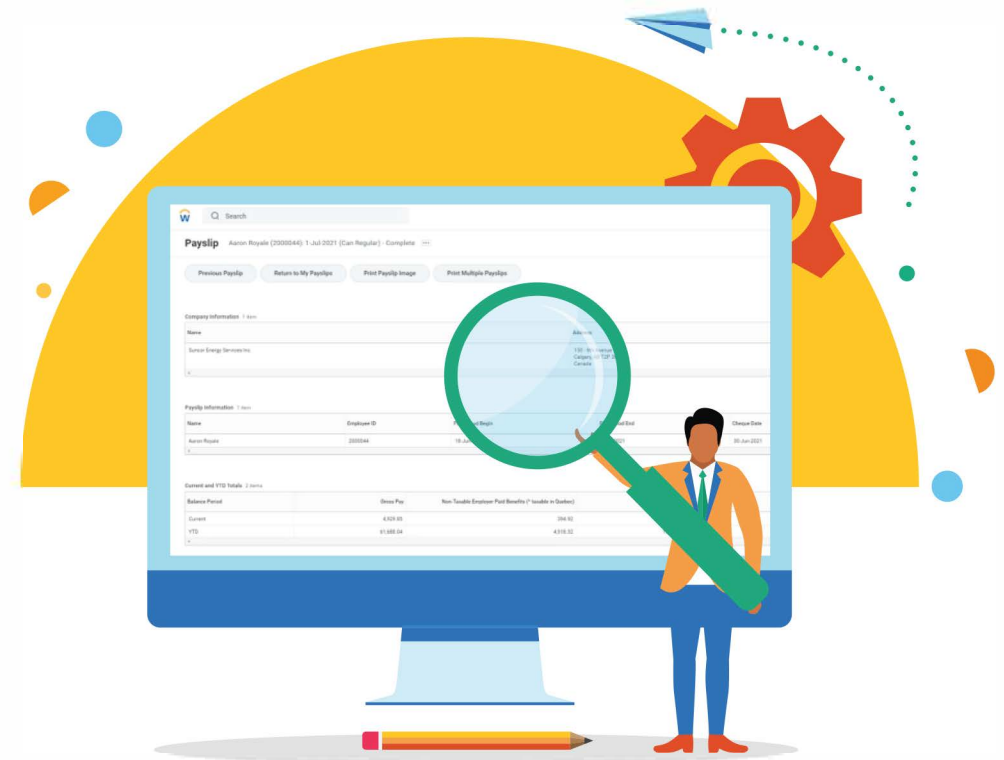

Your pay statement will go paperless.

With Workday, you can easily access your pay statement from a web browser or the Workday mobile app.

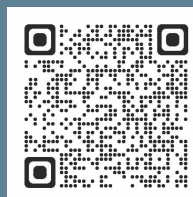

One pay, multiple deposits.

With Workday, you have the option to deposit portions of your pay into multiple accounts.
